

THE RX 450h SPECIAL EDITION

EXPERIENCE THE RX 450h SPECIAL EDITION

The only way to truly understand what makes Lexus cars so special is to drive one yourself. Please contact your nearest Lexus Authorised Retailer or national Lexus website to arrange a test drive of the RX 450h Special Edition.

© 2011 Lexus Europe* reserves the right to alter any details of specifications and equipment without notice. Details of specifications and equipment are also subject to change to suit local conditions and requirements. Please enquire at your local Lexus Authorised Retailer of any such changes that might be required for your area.

Note: vehicles pictured and specifications detailed in this brochure may vary from models and equipment available in your area. Vehicle body colour might differ slightly from the printed photos in this brochure.

Taking care of the environment is a priority for Lexus. We take many measures to ensure that during the lifecycles of our vehicles - from design, production, distribution, sales and service to end-of-life - their environmental impact is minimised. Your retailer will be happy to provide more information on end-of-life vehicle requirements.

THE RX 450h SPECIAL EDITION

DYNAMIC GRILLE, BLACK HEADLIGHT HOUSINGS, SMOKED 19" ALLOYS

The Special Edition has all the outstanding power, handling and crossover performance characteristics of the Full Hybrid RX 450h. Delivering the handling and comfort of a luxury sedan, but with the flexibility of a large crossover, the RX 450h Special Edition is very rewarding to drive. Accelerate hard and Lexus Hybrid Drive propels you smoothly from 0 - 100 km/h in just 7.8 seconds. And, astonishingly for a vehicle of this power, CO₂ emissions are just 145 g/km and particle emissions are zero. However, several design innovations have been implemented to amplify its sporting personality. These include a dynamic new dark grey radiator grille, black headlight housings and stunning 19" alloy wheels.

EVERYTHING UNDER THE SUN

PANORAMIC ROOF, REMOTE TOUCH, SMOOTH LEATHER
For a superbly light and airy cabin, the RX 450h Special Edition is fitted as standard with a large panoramic roof. Inside you can relax in smooth leather seats and experience an array of leading-edge equipment. The perfect partner for business, sport or leisure, the ergonomic cockpit surrounds and supports you - enabling a really focussed drive. For seamless interaction, the vehicle's Remote Touch revolutionises the way you control the RX 450h's 12-speaker premium audio system, Electronic Climate Control and Full Map Navigation.

SPECIAL EDITION FEATURES

Our new RX 450h Special Edition builds on the RX Executive grade, but with certain key design changes to enhance its sporting looks. These include:

DYNAMIC GRILLE

Finished in an elegant dark grey, the Lexus signature grille enhances the car's powerful L-finesse front design and emphasises the Special Edition's dynamic appearance.

BLACK HEADLIGHTS SURROUND

Fitted in stylish black housings, High Intensity Discharge (HID) bi-xenon headlights give this crossover a uniquely sporty look.

PANORAMIC ROOF

The large glass roof adds a feeling of freedom, spaciousness and light to the RX 450h Special Edition's cabin. It is fitted with a 3-part electric sliding blind, to shade you should the sun become too intense.

SMOKED 19" ALLOY WHEELS

With a smoked effect finish, these darkened alloy wheels complement the dark grey grille and headlight housings to further enhance the powerful design.

RX 450h TECHNICAL DATA

ENGINE	
Capacity (cm ³)	3456

Extra urban	6.0
Combined	6.3

CO ₂ EMISSIONS* (g/km)	
Emissions level	Euro V
Urban	147
Extra urban	145
Combined	145

* The fuel consumption and CO₂ values are measured in a controlled environment, in accordance with the requirements of Directive 80/1268/EEC incl. its amendments, on a vehicle with European Standard equipment. For further information, or if you are interested in purchasing a vehicle with European Standard equipment, please contact your Lexus Authorised Importer.

The fuel consumption and CO₂ values of your vehicle may vary from those measured. Driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, tyre pressure, installed equipment, load, number of passengers, etc.) play a role in determining a car's fuel consumption and CO₂ emissions.

Please note: the RX 450h Special Edition is specified with the same equipment as the RX 450h Executive grade, plus the design features illustrated on the page opposite. For the full equipment listing and more comprehensive technical data please see the main RX brochure.
